2022 FESTIVAL
ST ANDREW'S SCHOOL

Headmaster's Message

I take great pleasure in welcoming you to St Andrew's for the U15 Independent School's Rugby Festival. This year we will be hosting twelve teams from around the country. I want to thank Mr Pietersen our Head of Rugby, Mr Neil Storm Festival Organiser and Mr van Kasterop our Head of Sport as well as all St Andrew's staff (teachers, officials, grounds, boarding and support staff) who have worked tirelessly at putting together this world class event.

It is my hope that you will spend the weekend playing Rugby and interacting with each other in the spirit that it is intended. May you make special memories on and off the field and use this as an opportunity to rekindle old friendships and make new ones. The memories you make and the strong friendships you build as players, coaches, teachers and officials last a lifetime. It is the reason we continue to come together to celebrate good company and competition as like-minded schools.

A festival like this takes hours and hours of planning both from the local organizing committee as well as those officials and teachers responsible for putting together the tour arrangements to get you here safely. Please remember to thank the festival organizers and sponsors, your teachers and coaches for giving up their weekend and your parents who have supported you both on and off the field. Everything you achieve as players is through the effort and support of others. I have never heard of a player becoming a Springbok without the support of others. Always remember to show gratitude to those who have helped you along the way and make time to assist and carry others on your journey through life.

It is wonderful to see competitive sports taking place again. Enjoy the weekend's festivities with us and travel home safely.
